

ACADEMY OF TECHNOLOGY
Lab Assignment (Assignment 12)

Paper name: Data Structure and Algorithm

Code: PCC-CS391

Discipline: CSE

Semester: 3rd

Time: 2 Hours

Date: November 3, 2022

1. Write a program in C or C++ to sort a given array using Merge sort algorithm.
 2. Write a program in C or C++ to sort a given array using Quick sort algorithm.
 3. Write a program in C or C++ to sort a given array using Heap sort algorithm.
